

Essentials Hi Vis Eco CoolAir Orange T- Shirt ESS10

Stay visible, stay comfortable, and stay sustainable with the **Essentials Hi Vis Eco Coolair T-Shirt**. Designed for professionals in construction, utilities, and logistics, this high-performance workwear is as functional as it is eco-friendly, crafted from 100% GRS recycled polyester.

Key Benefits and Features:

- **Moisture-Wicking Fabric:** Experience all-day comfort with a design that draws sweat away from the skin, keeping you dry and fresh during the toughest shifts.
- **Coolair Design with Breathable Mesh Panels:** Featuring underarm mesh panels for enhanced airflow, this T-shirt is ideal for maintaining comfort in demanding conditions.
- **Reflect-Tex Segmented Tape:** Heat-applied, flexible reflective tape provides optimal visibility while optimising wearer comfort.
- **Improved Fit and Style:** With a contemporary cut and featuring a 1x1 knit rib collar and a sleek two-tone design that delivers a professional and modern look.
- **Brand-Friendly Design:** Customise the T-shirt effortlessly with your company's branding for a cohesive, professional uniform across teams.
- **Sustainability-Certified:** Made from 100% GRS certified recycled polyester, this T-shirt is an eco-conscious choice that doesn't compromise on quality or performance.
